This document is a translation into English of an original French press release. It is not a binding document. In the event of a conflict in interpretation, reference should be made to the French version, which is the authentic text.

About Axway

Axway enables enterprises to securely open everything by integrating and moving data across a complex world of new and old technologies. Axway's API-driven B2B integration and MFT software, refined over 20 years, complements Axway Amplify, an open API management platform that makes APIs easier to discover and reuse across multiple teams, vendors, and cloud environments. Axway has helped over 11,000 businesses unlock the full value of their existing digital ecosystems to create brilliant experiences, innovate new services, and reach new markets.
