Press Release

Axway Software:

Combined General Meeting of 3 June 2020 in closed session

Paris, 7 May 2020 – Given the current context of the COVID-19 pandemic and in application of the emergency measures adopted by the French government, the 2020 Combined General Meeting of 3 June 2020 will be held in closed session at the Company's registered office in Annecy, France, in the absence of shareholders. Initially scheduled for 2.30 pm, the Combined General Meeting will be held at 4.00 pm to take into account the organisational requirements related to the closed session.

No admission cards will be issued, and it will not be possible to ask questions or amend or propose new resolutions during the meeting.

Axway therefore recommends that shareholders exercise their rights online using the VOTACCESS secure voting platform, or by post using the voting form provided for this purpose. Shareholders can still give a proxy to the Chairman or be represented by a third party.

As the Combined General Meeting will be held in closed session, it will not be possible to ask questions, amend resolutions or propose new resolutions during the meeting. Shareholders retain the possibility to ask questions prior to the meeting. In view of possible disruptions in postal delivery, shareholders are invited to use the dedicated General Meeting email address: assembleegenerale@axway.com.

All information relating to Axway's 2020 Combined General Meeting, including a presentation from the Chief Executive Officer, Patrick Donovan, will be available on the Company's website within the legal timeframe, in the Investors section on the Shareholders' Meetings page:

<https://investors.axway.com/en/shareholders-and-investors/shareholders-meeting>

At the end of the Meeting, the presentation and recording of the meeting will be made available on the Shareholders' Meetings page of Axway's Investor Relations website.

Disclaimer

This document is a translation into English of the original French press release. It is not a binding document. In the event of a conflict in interpretation, reference should be made to the French version, which is the authentic text.

About Axway

Axway (Euronext: AXW.PA) empowers customers to succeed using hybrid integration to connect people, systems, businesses and digital ecosystems. Axway's hybrid integration platform, AMPLIFY™, helps enterprise power users, IT specialists, developers, and partners accelerate digital transformation, create captivating experiences, and innovate new services. AMPLIFY speeds integrations by combining traditional integration patterns with API Management and Application Integration (providing over 150 prebuilt connectors). 11,000 organizations in 100 countries rely on Axway for their data integration challenges.
